DEPARTMENT OF STATE

[Public Notice 2200]

**Bureau of Oceans and International Environmental and Scientific Affairs;
U.S. National Committee for the Man and the Biosphere Program (U.S. MAB)
Requests for Proposals for Environmental Projects****Project 1**

The United States Man and the Biosphere Program hereby announces its request for proposals for a Worldwide Environmental Projects Officer to assist in development of Peace Corps Worldwide Environmental Projects through a funding mechanism for providing technical assistance including but not limited to the following description.

U.S. MAB will accept proposals of a maximum length of six (6) pages that outline how the objectives described below could be accomplished.

A curriculum vitae (C.V.) of a maximum length of four (4) pages for each principal(s), that clearly demonstrates a history of competency in the implementation of such tasks, must accompany the proposal.

Proposals may not request more than the sum of seventy-two thousand four hundred forty-six (\$72,448) dollars to implement this initiative.

All proposals must specify that all tasks will be completed at the

headquarters of the U.S. Peace Corps and field offices by May 10, 1996.

Payments will be made on a quarterly basis in equal installments.

All proposals and accompanying documents must be received by the U.S. MAB Secretariat no later than the close of business (COB) on June 9, 1995. Proposals and c.v.'s will be evaluated on the criteria noted in the following section.

Selection will be made no later than June 15, 1995. The proposed technical assistance to commence upon selection.

Objectives

The officer will provide technical assistance, including, but not limited to:

- Conduct rapid needs assessment of third world countries that have illustrated an interest in environmentally oriented projects.
- Design and conduct country specific environmental project planning and implementation workshops for Peace Corps program offices, and staff of private voluntary organizations.
- Develop In-Service Training (IST) model(s) and Pre-Service Training model(s) for Peace Corps volunteers (PCV) working in environmentally oriented projects and for local level host country counterparts, as well as implement country specific ISTs based on these models.
- Periodically work with United States Agency for International Development (USAID) staff members in the Global Office, The Latin American

Bureau, Asian Bureau, African Bureau, Central and Eastern European Bureau and the Former Soviet Union Countries to:

- Write proposals for additional support to enhance current programming and secure additional funds for new initiatives.
- Act as a liaison between USAID and Peace Corps regarding on-going collaborative programming that focuses on NGO development, biodiversity, park management and forestry initiatives.
- Prepare documentation of sector activities and collaborate with other sectors in the Office of Training and Program Support (OTAPS) as needed for USAID support and reporting.
- Initiate new programming activities that enhance USAID and Peace Corps priorities.
- Represent Peace Corps at relevant USAID meetings, conference and seminars.
- Support the agency in the implementation of the Programming and Training System (PATS), including project design, monitoring, and evaluation assistance. In addition, collaborate with incumbent Sector Specialists in the following tasks:
 - Participate in project plan reviews for environmental projects;
 - Undertake annual reviews of country program and technical assistance requests.

Selection Criteria

- Demonstrated ability of the proposer to design and deliver training for NGO's.
- Demonstrated ability of the proposer to prepare grant proposals in support for USAID/Peace Corps collaboration.
- Demonstrated ability of the proposer to conduct needs assessments and develop project design.
- Fluency in Spanish preferred.
- Field experience (Programming and Evaluation) in Eastern Europe and Former Soviet Union countries.

Project 2

The United States Man and Biosphere Program hereby announces its request for proposals for a Natural Resource Specialist to assist in development of Peace Corps Worldwide Environmental Projects through a funding mechanism for providing technical assistance including but not limited to the following description.

U.S. MAB will accept proposals of a maximum length of six (6) pages that outline how the objectives described below could be accomplished.

A curriculum vitae (C.V.) of a maximum length of four (4) pages for

each principal(s), that clearly demonstrates a history of competency in the implementation of such tasks, must accompany the proposal.

Proposals may not request more than the sum of sixty-eight thousand two hundred (\$68,200) dollars to implement this initiative.

All proposals must specify that all tasks will be completed at the headquarters of the U.S. Peace Corps and field offices for the period of June 19, 1995 through June 18, 1996.

Payments will be made on a quarterly basis in equal installments.

All proposals and accompanying documents must be received by the U.S. MAB Secretariat no later than the close of business (COB) on June 9, 1995. Proposals and c.v.'s will be evaluated on the criteria noted in the following section.

Selection will be made no later than June 15, 1995.

Objectives

- Provide Technical support to Peace Corps Volunteers who are taking part in environment projects as primary or secondary assignments including, but not limited to:

—Taking part in approximately six-nine consultancies in response to requests

from Peace Corps posts for technical assistance in project development, training activities, project evaluation, and other activities.

—Developing In-Service Training (IST), Pre-Service Training (PST), and Monitoring and Evaluation models for Peace Corps Volunteers (PCVs) and their host country counterparts working in environment projects. Also assist with country implementation of projects based on these models.

—Assisting with other environment activities including collaboration with other governmental and private agencies offering assistance to Peace Corps in project development and training.

- Provide technical support to Associate Peace Corps Directors (APCDs) responsible for Environment Programs by:

—Planning, designing, and implementing regional and sub-regional workshops for APCDs and their host-country counterparts aimed at strengthening their ability to develop and manage quality environment projects;

—Responding to individual APCD requests for technical assistance in the design and management of environment projects.

- Assist with the ongoing collaboration between the Environment Sector and other sectors with the Office of Training and Program Support (education, small business, agriculture, health, youth, and water/sanitation) in the design of Environment projects and project components. As part of this effort, develop and coordinate country assessments, project designs, reviews, and evaluations, in-service training workshops, and other related programming and training activities for Peace Corps Volunteers and their counterparts in countries requesting this assistance.

- Take primary responsibility for identifying appropriate resource materials for Peace Corps volunteers working in the Environment Sector and work closely with Peace Corps' Information Collection and Exchange (ICE) to maintain a current Environmental resource library for Washington staff, field staff, and Volunteers.

- Support the agency in the implementation of Peace Corps' Programming and Training System (PATs), including project design, monitoring, and evaluation assistance. In addition, collaborate with incumbent Sector Specialists in the following tasks;

- Participate in project plan, project status, and Integrated Programming and Budget System (IPBS) reviews for environment projects worldwide.
- Undertake annual reviews of country program and technical assistance requests.

- Work with other Environment Sector Specialists in regular sector activities, including, but not limited to:

- Initiating and maintaining collaborative relationships with private organizations and other governmental agencies;
- Preparing documentation of sector activities;
- Maintaining computerized files used to plan, monitor, and evaluate environment projects;
- Collaborating with other sectors in the Office of Training and Program Support (OTAPS); for example,

incorporating Women and Youth Issues into Environment Sector projects and activities, and working with other offices in Peace Corps.

- Develop and assist implementation of new environment projects and initiatives which will strengthen Peace Corps' ability to undertake activities addressing biodiversity conservation, global climate change, and desertification.

- Assist, on occasion, Area Recruitment Offices in their efforts to recruit applicants for Environment assignments.

- Represent the Environment Sector in various domestic and international workshops, conferences, and symposia.

Selection Criteria

- Demonstrated ability of the proposer to plan, design, manage, monitor, and evaluate Peace Corps Natural Resource and Environmental projects.

- Demonstrated ability of the proposer to design and deliver environment workshops for both formal and nonformal audiences. National and international workshop experience preferred.

- Demonstrated ability of the proposer to conduct needs assessments and develop project designs.

- Demonstrated ability of the proposer to write reports, conduct research, and handle administrative responsibilities as needed.

- Fluency in Spanish or French preferred.
